Rw	35 dB**
Pane	2-3 glass unit
Warranty	5 years.*

Window profile characteristics:

- Sliding doors
- Arched windows

For Classical Style Houses

Doors for a house of classical style. Just as in GAMA 78 RUSTIC windows, only wooden elements are highlighted both from the inside and the outside.

The only visible aluminium element in the exterior door is its sill. In a similar design, we also offer arched exterior doors and windows and sliding doors. Glass unit up to 40 mm.

MATERIAL USED

Types of wood:	tenon pine, non-tenon pine, meranti, larch, oak, etc.
Painting:	Teknos/Finland/
